- Project of the Year

JUDGING CRITERIA: All Judging will be done on a scale of one (1) to ten (10) with one being Low and Ten being High. Difficulty of Installation | Job Conditions | Materials | Site Restrictions | Quality of Finished Project

PURPOSE: The purpose of the FWCCA Awards of Excellence competition is to recognize the outstanding projects built by the **CONTRACTOR MEMBERS** of FWCCA. Such recognition will bring about a greater community and industry awareness of the quality and craftsmanship of work produced by FWCCA members and their employees.

ELIGIBILITY: If you are a current paid member of the Florida Walls and Ceilings Contractors Association, you are eligible to submit your entries. Entries must originate from a FWCCA member. Questions concerning eligibility should be directed to the FWCCA Executive Vice President.

RECOGNITION OF WINNERS: All Award winners will be recognized at the Association's Annual Convention with the date and time announced well in advance.

AWARDS OF EXCELLENCE: Up to three (3) construction projects in each category will be eligible for an Award of Excellence. The awards ceremony will feature a presentation of the award winners.

PROJECT OF THE YEAR: A single project submitted by a FWCCA member which best exemplifies the contributions of quality construction to the Florida Wall and Ceiling Industry will be selected as the Project of the Year. This project will be recognized at the Annual Convention.

HOW TO ENTER

Use this Entry Form to submit projects for consideration by the Awards Committee. Each project submitted will have a fee of \$250. Limit 3 projects per company. All entries must be accompanied with payment and a digital presentation with at least 10 photos of each project to be considered. (Powerpoint presentations are acceptable. Clearly title each digital work to the corresponding submission project).

All entries must be submitted in a three-ring binder.

DESCRIPTION: Attach a description of the project (maximum of three pages) including a detailed scope of work done by your company. Responses should include products used and length of project. Be sure to include major supplier and a one paragraph description of the project that will be published in the FWCCA Newsletter and statewide press releases.

NARRATIVE: Why is this project special? What qualifies it for an Award? Describe innovative programs relating to personnel management, quality control, scheduling, value engineering, dollar value, special obstacles over come, degree of difficulty in completing project, extenuating circumstances, etc. Maximum of 4 pages.

SAFETY: No project with a safety-related fatality can receive consideration for an Award of Excellence.

PHOTOGRAPHS: At least ten (10), but not more than fifteen (15) photographs should be included. Do not submit photos larger than 8 "x 10". All photos must be labeled with project name, company name, entry category and a brief description of what the photograph represents. Please also include a digital copy of your photos on a CD. High resolution images are preferred as follows: High resolution jpeg or tiff file.

REFERENCES: Endorsements, third-party comments, owner's letter, etc.

MISCELLANEOUS: Supporting material such as diagrams and other graphics, press and promotion. (Maximum of 5 pages)
