

FWCCA ANNUAL

Convention Agenda

JULY 5-9 • TRUMP NATIONAL DORAL • MIAMI, FL

FWCCA.COM

Wednesday, July 5th

6:00 - **BOARD OF DIRECTORS DINNER**
8:00 pm

Thursday, July 6th

9:00 - **GOLF COMMITTEE BREAKFAST**- The committee will meet to discuss the final
10:00 am details of the Golf tournament and to review last minute task assignments/
details of the tournament.

10:00 am - **BOARD OF DIRECTORS ANNUAL MEETING** - The annual meeting of the
Noon FWCCA Board will hold a short informal meeting and review of the
convention agenda.

9:00 am - **MEMBER & EXHIBITOR CHECK-IN** - Registration Desk will be open to check-in
5:00 pm all members and exhibitors for weekend events.

2:30 - **CLASS I - INTEGRATING ACOUSTICS INTO ARCHITECTURE**
4:30 pm Presented by Jason Howell, North American Sales Director, Baswana Acoustic
North America.

This program will discuss promoting acoustically mindful designs and educating attendees on the effects that sound has on the occupants of a building from a health and welfare perspective.

Attendees will become familiar with the effects of sound in a room, how to manipulate interior acoustics and the importance of accounting for acoustics and proper installation of a project.

- Become aware of health and psychological effects of interior acoustics
- Be knowledgeable of recent code requirements, etc. around interior acoustics
- Understand the principles of sound - reverberation, reflection, absorption and NRC ratings
- Recognize the importance of accounting for acoustics early in the design phase and using certified installers/resources to execute installation properly.

Thursday, July 6th (cont.)

2:30 -
4:30 pm

CLASS II - GOODBYE, PAYMENT HOLDS: HOW TO CREATE A FLAWLESS PAY APP AND GET PAID FASTER WITH SITELINE

Presented by Claire Wilson and Charlotte Bohnett; Sitrine

The billing process in construction is notoriously stressful and can put a strain on the relationship between trade contractors and general contractors. The onus is on the subcontractor to submit all of the required paperwork in order to get paid for completed work. As a subcontractor, you spend hours poring over emails, playing phone tag with your field team, and collecting lien waivers, but somehow, at least one payment is always put on hold due to missing documentation or rejected payment applications. But delayed payment can soon be a thing of the past—and the team at Sitrine is going to show you how!

As a special addition to this presentation, Sitrine will serve beer, soda, and snacks during the event—so **COME BILL AND CHILL WITH SITELINE!**

In this session, attendees will:

- Learn how to improve processes to ensure first-time pay app acceptance and on-time payment
- See how to leverage Sitrine to gain efficiencies in the billing process
- Face off in some friendly billing competitions for a chance to win fun prizes
- Share billing tips-and-tricks and network with peers

2:30 -
4:30 pm

CLASS III - UNDERSTANDING THE COMPONENTS OF AN AIR BARRIER SYSTEM

Presented by Vanessa Feldkamp, and Cory Bendokas, Tremco

During this presentation attendees will learn to:

- Understand the components of an air barrier system and its principal purpose in the building enclosure
- Identify the impact air barriers have on a building's energy efficiency, operating cost, indoor air quality and the infiltration of moisture
- Review air barrier types and their benefits/challenges

6:00 -
7:00 pm

President's Reception – By invitation only, a special reception hosted by FWCCA's President for Convention Sponsors, New Members, Past Presidents, Board Members and VIP's. An opportunity to visit with old friends, meet some new attendees and enjoy some great fellowship with the Board of Directors.

Friday, July 7th

6:30 am GOLF TOURNAMENT CHECK-IN & BREAKFAST at the beautiful Blue Monster Golf Course at Trump National Golf Resort and Spa. Arrive early, enjoy a continental breakfast and pick up your free gift before starting out. The FWCCA Golf Tournament is a great event!

8:00 am TOURNAMENT BEGINS – followed by lunch at the conclusion of golf. Lunch and Prize Give-aways will take place at the Golf Club house upon tournament completion.

9:30 am - 8:00 pm REGISTRATION DESK OPEN – Stop by and pick up your registration material and convention information. Staff will be on hand all day to assist member attendees and exhibitor personnel.

11:00 am EXHIBITOR CHECK IN AND SET-UP BEGINS. Staff will be on-hand to assist exhibitors with questions and to distribute registration packages. The Exhibit Hall will be ready by 12:00 noon to begin booth set-up. All Exhibits must be set and ready to display promptly at 5:00 pm

3:00 - 5:00 pm CLASS IV – 5 CONSIDERATIONS FOR PREVENTING HEARTBURN & HEARTACHE FOR PLASTERERS
Presented by Mike Starks, In-Spex, Consultant.

1. Preconstruction

- a) Review plans and specs and send RFI's prior to bidding
- b) Ensure the required details are included on the plans or in the specs or both
- c) Make sure the specified system is approved in your jurisdiction

2. Contracts

- a) Make an effort to remove or mitigate indemnification clauses
- b) Include a very specific Scope of Work as an Exhibit or Addendum to the contract
- c) Specifically exclude things you don't want to be responsible for (sealants, house wraps, etc)
- d) If you use sub-subs, pass along any indemnification clause to which you've agreed to them and give them your Scope of Work.

3. Review

- a) Inspect each phase of the work that comes prior to plastering: framing, masonry, concrete, windows, house wrap.

4. Educate

- a) Your Crew Leaders, The GC's Project Manager, and the subs before you and after you. Teach them what you need for prior subs to do so that you can perform properly and ask post – what they need for you to do before they start

5. Performing

- a) Avoid the two-headed axe: Manufacturer's instructions vs Code/Standard requirements
- b) Do the little things right!
 - Caulk Joints • Lath Laps • Fastener Spacing • Tie CJs • Fill cornerbeads • Miter accessory joints • Provide Drainage in concealed barrier systems • Prep solid bases • Transitions – dissimilar materials/systems

Immediately followed by a demonstration in the Exhibit Hall

3:00 - 5:00 pm CLASS V – ACOUSTIC FUNDAMENTALS OF CONSTRUCTION
Presented by Christian Chinsio, CertainTeed Interior Products Group

This is a class designed to help architects, designers, and contractors understand the need for minimizing sound transmission through both walls and floors/ceilings assemblies. In this course, you will cover the following:

- A basic understanding of how noise (unwanted sound) can affect us both mentally and physically.
- Minimum requirements as dictated by the International and Residential Building Codes
- What is Sound Transmission Class (STC) and how it is determined
- How to minimize transmission
- How to maintain performance
- How CertainTeed's SilentFX Quickcut can help

3:00 - 5:00 pm CLASS VI – THE IMPORTANCE OF EMBEDMENT IN PLASTER SYSTEMS
Presented by Chris K Little, Sr. Product Manager, ClarkDietrich and Jay Hester, Field Application Representative

A white paper discussion written and published by Chris K. Little, comparing the three types of metal lath and how they respond to scratch coating in terms of embedment. Topics to be covered:

- Accessory Embedment
- Forensic Investigations
- Why the element of the plaster work is crucial to long-term performance

5:00 - 8:00 pm EXHIBIT HALL OPEN W/SNACKS & CASH BAR – This year's Exhibit Hall is bigger and better than ever before! Exhibits in this year's show are from throughout Florida and the nation. Arrive early and be prepared to stay a while.

8:00 pm On OPEN EVENING for Exhibitors Hospitality Suites, dinner with vendors, etc. There are several great restaurants on the property for you to visit. Many of the Exhibitors will sponsor separate hospitality suites and invitations will be mailed directly by exhibitors to contractors.

Saturday, July 8th

- 8:30 am **REGISTRATION DESK OPENS** • Staff will be on-hand to check-in late arrivals. Come early to pick up your registration information and exhibitor brochure.
- 9:00 am - Noon **EXHIBIT HALL OPEN** • Take time to visit all the exhibitors during the show and experience hands-on new products, learn new installation products and techniques, and reacquaint yourself with old friends while making new ones. Prizes will be given away throughout the show.
- 12:15 - 1:30 pm **ANNUAL INDUSTRY AWARDS LUNCHEON** along with the annual report on the affairs of the Association conducted by President, Herman Guevara, Plastic Components. Presentations to honor FWCCA Members for various activities and association involvement will also take place and the annual recognition of Scholarship Award Winners. The last item of business on the agenda will be the introduction of the FWCCA Officers & Board of Directors.
- 1:30 pm **EXHIBIT HALL BREAKDOWN** • The Exhibit Hall will be closed and locked at 12:00pm and NO BOOTHS will be broken down until after lunch due to security issues.
- 7:00 - 10:00 pm **THEME PARTY DINNER & ENTERTAINMENT** Join us for this year's closing event - WELCOME TO SOUTH BEACH - a real Brazilian Carnival atmosphere complete with dancers, contests, prizes, face painters, magicians and much, much more.

TIME TO PARTY!

DUE TO THE POPULARITY OF OUR SATURDAY NIGHT THEME PARTY - RESERVATIONS ARE A MUST. CHILDREN'S TICKETS WILL BE DISCOUNTED FOR DINNER BUT, ALL CHILDREN MUST HAVE TICKETS FOR ATTENDANCE!

BE SURE TO CHECK OFF YOUR ATTENDANCE REQUEST ON THE REGISTRATION FORM! TICKETS WILL NOT BE SOLD AT THE DOOR AND ARE LIMITED TO FULL CONVENTION REGISTRANTS AND EXHIBITORS.

A SPECIAL NOTE ABOUT OUR *Sponsors*

Each year, the FWCCA Convention and Trade Show grows bigger and better. This year is no exception. There are many manufacturers and distributors participating in this year's show along with great social and educational events. The cost of the FWCCA convention continues to remain affordable for even the smallest contractors. We are able to deliver such a high quality product at such an affordable rate thanks to our Sponsors.

Suitcasing Policy

The FWCCA Trade Show is open to all industry allies and convention attendees. However, any non-registered attendee who is observed soliciting business in the aisles, in a exhibitor's booth or anyone who is in violation of the FWCCA Trade Show rules will be asked to leave the exhibit hall immediately. The FWCCA Trade Show is for PAID, participating exhibitors and non-exhibiting companies will not be allowed to solicit business in the Show hall. This is a flagrant violation of the spirit of the FWCCA Show.
